### The Covenant of the Islamic Resistance Movement

18 August 1988

Israel will exist and will continue to exist until Islam will obliterate it, just as it obliterated others before it" (The Martyr, Imam Hassan al-Banna, of blessed memory).

#### **Article One:**

The Islamic Resistance Movement: The Movement's programme is Islam. From it, it draws its ideas, ways of thinking and understanding of the universe, life and man. It resorts to it for judgement in all its conduct, and it is inspired by it for guidance of its steps.

#### **Article Two:**

The Islamic Resistance Movement is one of the wings of Moslem Brotherhood in Palestine. Moslem Brotherhood Movement is a universal organization which constitutes the largest Islamic movement in modern times. It is characterised by its deep understanding, accurate comprehension and its complete embrace of all Islamic concepts of all aspects of life, culture, creed, politics, economics, education, society, justice and judgement, the spreading of Islam, education, art, information, science of the occult and conversion to Islam.

"The Day of Judgement will not come about until Moslems fight the Jews (killing the Jews), when the Jew will hide behind stones and trees. The stones and trees will say O Moslems, O Abdulla, there is a Jew behind me, come and kill him. Only the Gharkad tree, (evidently a certain kind of tree) would not do that because it is one of the trees of the Jews." (related by al-Bukhari and Moslem).

### **Article Eight:**

Allah is its target, the Prophet is its model, the Koran its constitution: Jihad is its path and death for the sake of Allah is the loftiest of its wishes.

### **Article Eleven:**

The Islamic Resistance Movement believes that the land of Palestine is an Islamic Waqf consecrated for future Moslem generations until Judgement Day. It, or any part of it, should not be squandered: it, or any part of it, should not be given up. Neither a single Arab country nor all Arab countries, neither any king or president, nor all the kings and presidents, neither any organization nor all of them, be they Palestinian or Arab, possess the right to do that. Palestine is an Islamic Waqf land consecrated for Moslem generations until Judgement Day. This being so, who could claim to have the right to represent Moslem generations till Judgement Day?

This is the law governing the land of Palestine in the Islamic Sharia (law) and the same goes for any land the Moslems have conquered by force, because during the times of (Islamic) conquests, the Moslems consecrated these lands to Moslem generations till the Day of Judgement.

As for the real ownership of the land and the land itself, it should be consecrated for Moslem generations till Judgement Day. Those who are on the land, are there only to benefit from its fruit. This Waqf remains as long as earth and heaven remain. Any procedure in contradiction to Islamic Sharia, where Palestine is concerned, is null and void.

### **Article Thirteen:**

Initiatives, and so-called peaceful solutions and international conferences, are in contradiction to the principles of the Islamic Resistance Movement. Abusing any part of Palestine is abuse directed against part of religion. Nationalism of the Islamic Resistance Movement is part of its religion. Its members have been fed on that. For the sake of hoisting the banner of Allah over their homeland they fight. "Allah will be prominent, but most people do not know."

There is no solution for the Palestinian question except through Jihad. Initiatives, proposals and international conferences are all a waste of time and

vain endeavors. The Palestinian people know better than to consent to having their future, rights and fate toyed with. As in said in the honourable Hadith:

"The people of Syria are Allah's lash in His land. He wreaks His vengeance through them against whomsoever He wishes among His slaves It is unthinkable that those who are double-faced among them should prosper over the faithful. They will certainly die out of grief and desperation."

It is necessary to instill in the minds of the Moslem generations that the Palestinian problem is a religious problem, and should be dealt with on this basis. Palestine contains Islamic holy sites. In it there is al- Aqsa Mosque which is bound to the great Mosque in Mecca in an inseparable bond as long as heaven and earth speak of Isra` (Mohammed's midnight journey to the seven heavens) and Mi'raj (Mohammed's ascension to the seven heavens from Jerusalem).

#### **Article Seventeen:**

The Moslem woman has a role no less important than that of the moslem man in the battle of liberation. She is the maker of men. Her role in guiding and educating the new generations is great. The enemies have realised the importance of her role. They consider that if they are able to direct and bring her up they way they wish, far from Islam, they would have won the battle. That is why you find them giving these attempts constant attention through information campaigns, films, and the school curriculum, using for that purpose their lackeys who are infiltrated through Zionist organizations under various names and shapes, such as Freemasons, Rotary Clubs, espionage groups and others, which are all nothing more

#### **Article Twenty-Two:**

For a long time, the enemies have been planning, skillfully and with precision, for the achievement of what they have attained. They took into consideration the causes affecting the current of events. They strived to amass great and substantive material wealth which they devoted to the realisation of their dream. With their money, they took control of the world media, news agencies, the press, publishing houses, broadcasting stations, and others. With their money they stirred revolutions in various parts of the world with the purpose of achieving their interests and reaping the fruit therein. They were behind the French Revolution, the Communist revolution and most of the revolutions we heard and hear about, here and there. With their money they

formed secret societies, such as Freemasons, Rotary Clubs, the Lions and others in different parts of the world for the purpose of sabotaging societies and achieving Zionist interests. With their money they were able to control imperialistic countries and instigate them to colonize many countries in order to enable them to exploit their resources and spread corruption there.

You may speak as much as you want about regional and world wars. They were behind World War I, when they were able to destroy the Islamic Caliphate, making financial gains and controlling resources. They obtained the Balfour Declaration, formed the League of Nations through which they could rule the world. They were behind World War II, through which they made huge financial gains by trading in armaments, and paved the way for the establishment of their state. It was they who instigated the replacement of the League of Nations with the United Nations and the Security Council to enable them to rule the world through them. There is no war going on anywhere, without having their finger in it.

Secularism completely contradicts religious ideology. Attitudes, conduct and decisions stem from ideologies.

That is why, with all our appreciation for [The Palestinian Liberation Organization](#) - and what it can develop into - and without belittling its role in the Arab-Israeli conflict, we are unable to exchange the present or future Islamic Palestine with the secular idea. The Islamic nature of Palestine is part of our religion and whoever takes his religion lightly is a loser.

The day [The Palestinian Liberation Organization](#) adopts Islam as its way of life, we will become its soldiers, and fuel for its fire that will burn the enemies.
